

EN 420+A1:2009 EN 388:2003

PPE CATEGORY II

 Read the instructions carefully.

Product, material: Five-fingered gloves, knitted, latex coating.
60% cotton, 40% polyester, coating latex

Design: "COLCA" 3420 026 706 XX (XX instead is the size of gloves)

Manufacturer's design: 12008110

Size: M = 8, X = 10

Purpose: They may serve as a protection of hands against dirt and protection in the working areas where workers have to face mechanical hazards. Designed for manipulating materials in both dry and damp environments. Put the gloves on dry, clean hands.

The gloves were tested in accordance with EN 388 - mechanical hazards (The higher the number, the higher the protection factor)

A (0-4)	Abrasion resistance:	Model class	2
B (0-5)	Blade cut resistance:	Model class	1
C (0-4)	Tear resistance:	Model class	2
D (0-4)	Puncture resistance	Model class	1

A.B.C.D.

EN 420 - protective gloves (general requirements)

(1-5)	Dexterity	Model class	5
-------	-----------	-------------	---

The protection levels (classes) apply only for the bottom parts of the gloves. The protection works only against the specified hazards. Do not use the gloves as a protection against different hazards and classes. The results apply only for the model classes, not for the protection levels (classes). The protection levels (classes) apply only for new gloves not washed or cleaned. The protection levels (classes) are determined based on the tests carried out in accordance with the conditions determined in the valid standards specified above.

Maintenance, lifetime: After use, make sure the gloves are removed from all pollutants. To prolong the life of the glove. The gloves are designed for single or short-term use only. Damp gloves should be dried out at a room temperature. Gloves should not be washed. Any dirt should be brushed out using a soft brush, latex Wipe with a damp cloth. Do not clean chemically, bleach, dry in a tumble dryer, or iron. The gloves that are worn through, have holes burned through, or are hard must be replaced. We are not responsible for possible reduction of the protective function caused by improper maintenance.

Storing and transport: Storing in a clean, dry and ventilated place at the room temperature, without any contamination by moisture, dirt, mould, or other agents reducing the level of protection. Do not expose it to solar radiation. The supplier doesn't provide warranty for such damage. Carry them preferably in original package.

Accessories: The product is supplied without accessories.

Please note: The user must check the gloves before and after use to verify that they are in the required condition. Do not use the gloves for handling of flames or hot or heated objects, toxic chemicals or greasy objects. Not resistant to soaking.

The gloves must not be used in places where they may be caught by moving parts of machines. (Close to moving mechanisms.) The mentioned facts may help the user for rational use of this type of protective gloves. It is the responsibility of every user to judge, whether the gloves are used in suitable conditions.

Materials which come into contact with the user's skin can cause an allergic reaction in sensitive individuals. **This product contains natural rubber latex which may cause allergic reaction, anaphylactic shock included.** If skin irritation or allergic reaction contact your doctor immediately.

Disposal: Dispose of used gloves with respect of the soiling level according to the applicable disposal regulations and the regulations of the local authority. Unused gloves can be disposed of with domestic waste.

EC Type Examination Certificate has been issued by CTC 4 rue Hermann Frenkel 69367 Lyon cedex 07 France. Notified body no. 0075.

Marking of gloves - example:

"COLCA"	Design and name of gloves
10	Size of gloves
EN388:2003	Pictogram - designation of norm and level of protection the gloves conform to
	Results of the tests carried out
2121	Results of the tests carried out
	Conformity mark
cat II	Glove category
	Symbol indicating the necessity to read the instructions
	Authorized representative's identification
'A'	Manufacturer's identification
12008110	Manufacturer's design

60% bavlna 40% polyester, hladký latex / 60% cotton, 40% polyester, smooth latex / 60% bawełna, 40% poliester, lateks gładki
